

IPMA

International Petroleum & Mining Academy.

Auth. No 25-040381/MINESUP/SG/DDES/ESUP/SDA/bo1

**THE
PETROLEUM
INDUSTRY**

**Science
Students**

**Technical
Students**

**Arts &
Commercial
Students**

4 yrs Bachelor Level

- Petroleum Geology
- Petroleum Geo-Physics
- Petroleum Engineering
- Petroleum Logistics
- Petroleum Mgt & Finance

**Study with IPMA and Locate
Your Employment From
The Classroom.**

2 yrs Master Level

- Exploration Geology
- Development Geology
- Drilling Engineering
- Production Engineering
- Reservoir Engineering

**Hydrocarbon
Trap Formation**

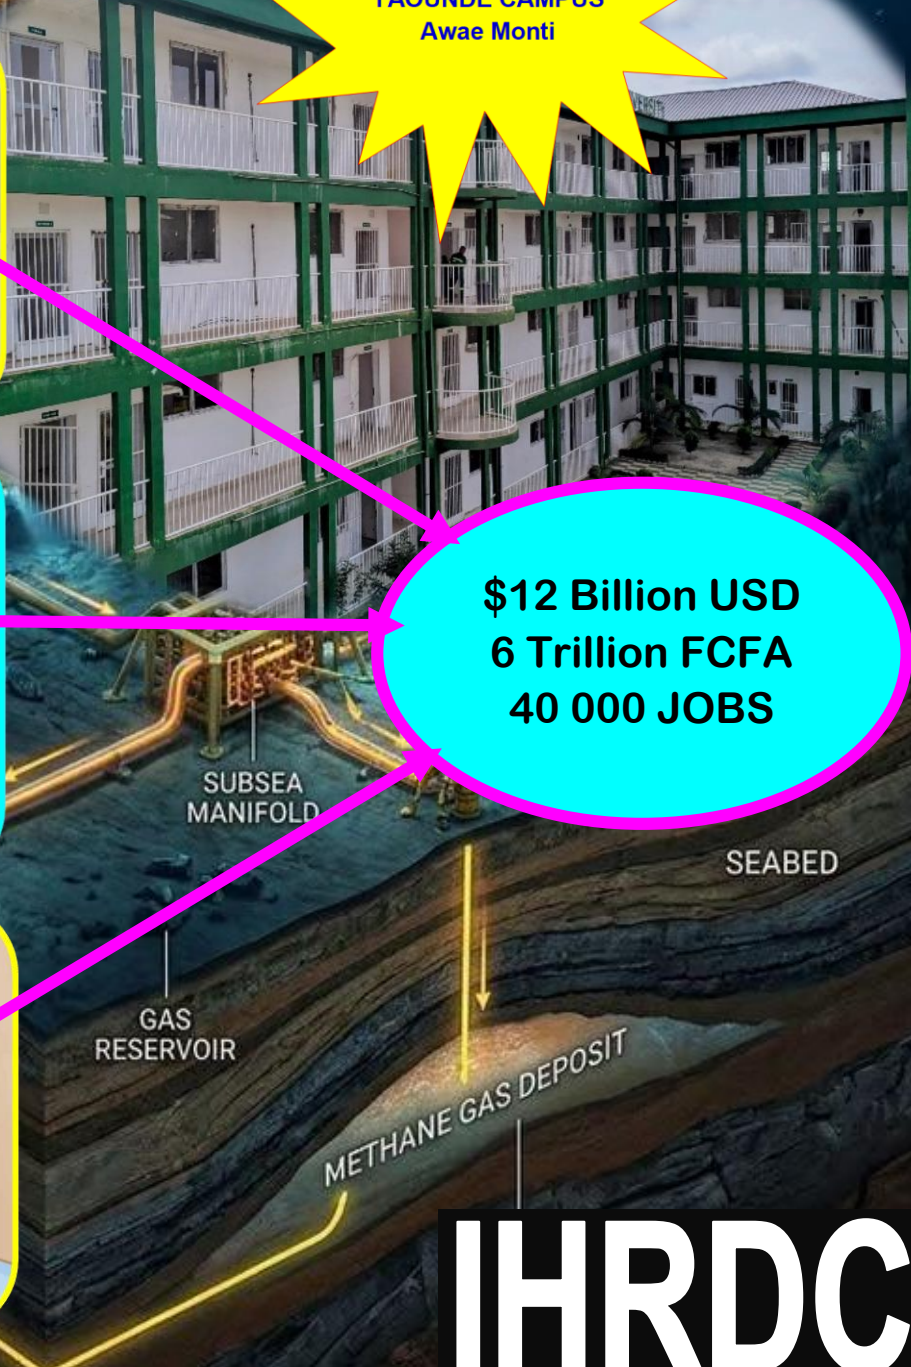

IHRDC

PROJECTS: Oil and Gas Job Orientation.

YAOUNDE CAMPUS
Awae Monti

**\$12 Billion USD
6 Trillion FCFA
40 000 JOBS**

IHRDC

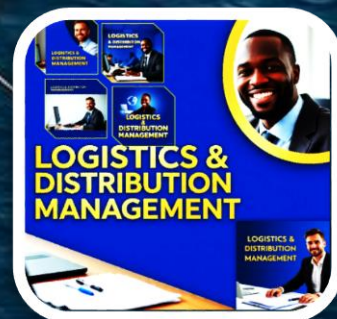

TWO YEARS PROFESSIONAL DIPLOMA TRAINING COURSES.

**Petro-Mining Human Capital Development
Remains the Most Fundamental Factor
Amongst the Critical Factors
In Developing Africa's
Natural Resources.**

**(President Director General IPMA)
GEMBOM DENIS**

**2 yrs Diploma Level
Oil & Gas Refinery Technology
Offshore Operations Technology
Corrosion Control & Prevention
Pipeline Operations & Maintenance**

DOUBLE HULL

BOW THRUSTER

**DOUALA CAMPUS
Flyover JPS
Bonaberi**

OFFSHORE OIL RIG

TRAINING FEE ALLOCATION

Admission Requirements Include:

Photocopy of Birth Certificate,
Photocopy of National Identity Card,
Photocopies of Certificates,
Medical Certificate
IPMA Filled Application Form.

Registration Fee of 50 000FCFA

DEPARTMENT	PROGRAM	AWARD	DURATION	FEE / YEAR
Exploration and Production	Petroleum Geology	BSc	4 Years	800 000
	Petroleum Geophysics			
	Petroleum Engineering			
	Petrochemical Engineering			
	Exploration Geology	MSc	2 Years	900 000
	Development Geology			
	Well-site Geology			
	Reservoir Engineering			
	Production Engineering			
	Drilling Engineering.			
Fast Track or Exclusive E-Learning Study Plan is Available for Workers.				
Operations and Maintenance.	Pipeline Engineering	BSc	4 Years	800 000
	Welding Engineering			
	Mechanical Engineering			
	Electrical Engineering			
	Instrumentation and Control			
	Plant Operations	MSc	2 Years	900 000
	Upstream Operations and Prod.			
	Midstream Operations			
Refinery Technology				
Oilfield Operation Engineering				
Fast Track or Exclusive E-Learning Study Plan is Available for Workers.				
Business	Petroleum Management & Fin.	BSc	4 Years	800 000
	IT & Computer Engineering			
	Petroleum Logistics			
	Petroleum Law			
	Petroleum Accounting			
Fast Track or Exclusive E-Learning Study Plan is Available for Workers.				
Short Term Courses	Quality Assurance / Control	Dip	2 Year	1 200 000
	HSE			
	LNG Technology.			
	Refinery technology			
	Oilfield Equipment / Materials			
	Industrial Welding			
	Roustabout			
	Gas Processing and Treatment			
Corrosion Mgt Technology				
Other Courses	Single Course Selection	Dip	Varies	

IPM ACADEMY.

The Best Place To Study Petroleum

1. EXPLORATION

Seismic Survey

2. DRILLING

Drilling into Seabed

3. EXTRACTION (PRODUCTION)

Bringing Oil & Gas to Surface

4. PROCESSING

Separating Oil, Gas and Water

5. STORAGE & TRANSFER

Storing & Transferring to Tankers

6. SAFETY & CONTROL

Monitoring & Safety Management
